

Iberian COMSOL Multiphysics CONFERENCE

Málaga. May 29, 2014

The **Iberian COMSOL Multiphysics Conference 2014** will be held in Málaga, Spain, on May 29. It is co-organized by the University of Málaga, Addlink Software Científico, NAFEMS and COMSOL AB.

You're invited to present your work at the **Iberian COMSOL Multiphysics Conference 2014**. Oral and poster presentations highlight achievements in multiphysics modeling and simulations using COMSOL. Submission of papers is recommended but not mandatory. Your published work will be recognized by a huge audience.

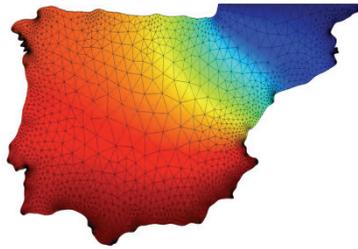

In addition to the main conference, we have programmed two optional training courses that complements it:

Wednesday May 28.- COMSOL Multiphysics Course for Beginners.

Thursday May 29.- Iberian COMSOL Multiphysics Conference 2014.

Friday May 30.- COMSOL Multiphysics Advanced Course.
